

## Chaddy's Charters Safety Management Systems

25 years of operation carrying passengers from all ages, we have been awarded an outstanding water safety award by New Zealand Coastguard. And we have a 100% safety record.

- ✓ The vessel – Rescue III – is certified each year by MSA
- ✓ The Captain gives a safety briefing to passengers aboard the vessel before launching
- ✓ Safe ship management system log book. Maritime New Zealand.
  - Hazard I P Checks
  - Vessel Equipment List
- ✓ All passengers are fitted with a life jacket and are required to wear it at all times on board. There are 30 spare life vests on board. The captain and crew have life jackets at hand should they require them.
- ✓ The vessel can hold up to 30 passengers and 2 crew
- ✓ There are daily maintenance checks and ship log recordings
- ✓ David (Chaddy) has an up-to-date first aid certificate
- ✓ The weather is checked each morning at 7am and before each cruise
- ✓ David holds a commercial launch master license CLM. Tristyn Day holds an inshore launch master CLM (relief captain)
- ✓ All crew have completed Radio operator tickets and undergo training
